

MEDP Conference Article Template

- 12 point, Times New Roman font.
- First page abstract. Abstract no more than 500 words. **Must specify which section you are writing for (i.e. Ministry of the Environment, or Transparency) as a heading before the abstract.**
- Title page: title, your name & affiliations, date.
- No limits to article length, however, please use proper judgment.
Unstructured, non-academic, or poorly written articles will not be considered.
Members of the general public or undergraduate students who show a promising abstract or article which may be considered slightly under par will be sent corrections and encouraged to re-submit.
- Try to use third person at all times. Refrain from the use of first person such as 'one' or 'I'.
- Subtitles are necessary, **in bold**.
- First paragraph no indent, following paragraphs one (1) indent.
- 1.5 spacing.
- Harvard (author, date) or author (date:page) citation to be used. However, superscript can be used for further information.
